A New Place to Take Your Kids:

LOONEY BIRD'S™

A restaurant where kids can get up on stage and sing karaoke with animatronic characters as their backup band!

The kids will also see the *Wizard of Oz* brought to life through animatronics and will save the *TIN MAN* when he rusts in the forest by oiling him!

Delicious food!- Pizza, Pasta, Ribs, Salads, Desserts and More!

It's so much fun, there's even a TV show featuring the kids who come in!
